GOOD TO KNOW

TIP 01

The 180° Massage Tip is ideal for large-area applications on the face, while the 360° Massage Sphere is the perfect choice for targeted use.

TIP 02

The stone itself has a cooling effect on the skin, which can be intensified by storing the device in the fridge for around 20 minutes before each use.

TIP 03

Clean your device with our Organic Device Cleanser after every use.

MASTER THE FIRST STEPS

Our SmartAppGuided™ Double-Sided Rose Quartz Depuffing Pen | 7 in 1 is ideal for relaxing and stimulating the entire body and sharpening your facial contours for a renewed look.

ENERGIZING FACE & NECK LIFT

PREPARE

Apply a serum or cream of your choice on the areas you will work on. This will allow the device to glide smoothly over your skin.

LIFT

Roll the device along your skin in an upward and outward motion. Some common areas to go over include along your jawbone starting at the chin, over the cheekbone, across the forehead and the sides of the neck.

TIPS

Use the elongated 180 degree end of the device to cover a larger surface area, such as your cheeks or forehead. Use the small 360 degree sphere for a more precise coverage, such as over the eyelid or the temple.

FINISH

Rinse the device with water to remove any leftover cosmetics. Clean your device with our Organic Device Cleanser after every use.

ARMS & LEGS GLOW TO GO

PREPARE

Apply a serum or cream of your choice on the areas you will work on. This will allow the device to glide smoothly over your skin.

LIFT

Using the 180 degree end of the device, glide the tip upwards along the arms, legs, and thighs, while applying gentle pressure. Make 3-5 passes in each area. Apply more serum or cream as and when needed.

FINISH

Rinse the device with water to remove any leftover cosmetics. Clean your device with our Organic Device Cleanser after every use.

IMPORTANT SAFETY INFORMATION. READ BEFORE USE.

Read the safety information before first use. Keep both instructions for use.

Your product at a glance

Your product is a rose quartz roller for face and body. This can be used safely up to three times a day. Please do not use more often. For maximum safety and optimal results, always follow your personalized skincare routine created by the GESKE app.

Notes on Use

Before using the device for the first time, this Safety Brochure and the Quick Start Guide must be read in their entirety. Both manuals should be retained as they contain important information on safe usage as well as on technical and legal guidance. The device is a skin-care product for adults, not a medical device and not a product with medical or other healing properties. The intended use also includes observing the Quick Start Guide, the warnings listed here and the personalized application recommendations from the GESKE app.

Specifications

Materials: ABS, rose quartz, silicone | Storage Temperature: -5 – +60 °C / 23 – 140 °F

The product is not suitable for use under the following conditions:

- After laser treatment or chemical peeling
- After facial surgery, both cosmetically and medically indicated
- In case of neurodermatitis, herpes or other skin diseases

Further information on use:

- Do not use the product on irritated or injured skin or open wounds (after any kind of injury), in the case of bacterial or viral infections of the skin (either in the usage area and elsewhere)
- This product is not intended to treat medical skin conditions or diseases. If you have medical skin conditions or diseases, consult your dermatologist before using this product
- Do not use the product if it is 1) damaged or deformed, 2) discolored
- If pain and/or discomfort occurs during use, discontinue use and seek medical advice
- The eye area is very sensitive: Be extra careful in this area and avoid any contact of the product with the eyelids or the eye itself
- Only use the product as recommended in your personalized routine
- For hygiene reasons, we recommend you do not share your product with anyone else
- The product is intended for cosmetic use on the face and body. GESKE accepts no liability for harmful consequences resulting from application to other parts of the body or other improper use

- After each session, you should clean the used product with lukewarm water and our Organic Device Cleanser and then allow it to dry
- This device has two sides made of rose quartz: a rounded rod that rotates 180° and a dome-shaped side that rotates 360°
- Use a moisturizing cream or serum to help the device glide over your skin. Do not exert too much pressure on the skin during the application
- You can use this product to lift the skin and to help stimulate lymph flow as well. This reduces swelling
- To achieve a lifting effect, you should glide over the skin in gentle upward movements
- You help to stimulate the lymph flow by gliding the device over the surface of the skin using slow, rhythmic strokes along the lymphatic system. It is always important to move outwards, as waste products are removed via the lymphatic system
- The stone can break if it falls onto hard surfaces. To prevent this, store the product safely in a box or cloth bag
- Keep product out of reach of children
